

UK NEQAS

International Quality Expertise

UK National External Quality Assessment Scheme for
Immunocytochemistry and In-Situ Hybridisation

CERTIFICATE OF PARTICIPATION

Diagnostic Surgical Pathology
Microdiagnostics LP
Mitropoleos 88
Thessaloniki
54622, Greece

Participation is certified for the following EQA Modules:

ALK FISH in Non-Small Cell Lung Cancer

ROS1 FISH in Non-Small Cell Lung Cancer

April 2022 to March 2023

Certified Period

Andrew Dodson (Scheme Director)

The issuing of this certificate indicates that the Centre has achieved an acceptable level of participation as defined in UK NEQAS ICC & ISH policies. It is not an indication of acceptable performance in the EQA Modules undertaken and, on its own cannot be taken as an endorsement of IHC or ISH testing proficiency.
